### Arson in Auto Fire Suspected

Presence of matches and incendiary materials in an automobile which blazed up in the downtown area Monday afternoon has been put down as suspected arson.

Investigators checking out the blaze at 1371 Cabrillo Ave. were told someone had been seen in the vehicle a few minutes before the fire was discovered. A small explosion apparently set off the blaze, police were told.

The car was being held for sale by a used car dealer whose business recently was transferred to Norwalk, it was reported. A company spokesman said the car was scheduled to be moved to the new lot soon.

### Harbor Scout Camporee Set For Tomorrow

The Harbor District of the Los Angeles Area Council, Boy Scouts of America, will have its spring camporee at Norco, near Corona, on May 17, 18, and 19. The event is for all Boy Scouts and Explorers in the Harbor District. It is at this event that the Boy Scouts can compete with other Scouts in camping and scouting skills.

The camporee will be highlighted on Saturday evening by the campfire, which is programmed and run by the boys. It is at this time that all the boys and leaders gather together and get a chance to watch and enjoy the campfire activities.

The highlight of the campfire is the call-out ceremony which is conducted by the Gabrielino Chapter of the Order of the Arrow, an honorary society for the brotherhood of scouting, in order to recognize the Boy Scouts and Explorers elected by their individual units for candidacy into the Order of the Arrow.
